Hello Ryan,

I am acknowledging that I received the March 18, 2022 letter by Carolyn Russell apprising me of your intention to file a Motion to Dismiss and the basis for it. I do not intend to amend my complaint.

It is my understanding that we must also confer in person on this matter, so I will call your office later today and confer by phone.

I do prefer that all communication between us be in writing whenever possible. I will continue to address Ryan Swink as he is the attorney of record on the docket.

Cordially,

Brian Chancey
